THE SENATE YIELDED

ADJOURNED BEFORE MR. MOR-GAN HAD FINISHED.

Objected to a Vote on the Colombian Canal Treaty Tomorrow-Mr. Quay With Him.

After the reading of the Colombian constitution had been concluded in the executive session of the Senate yesterday, which required about two hours' time, Senator Depew asked if the translation was correct. Senator Mason replied that it was, which assurance, Mr. Depew said, was thoroughly satisfactory. Senator Morgan then continued the speech

he had begun Wednesday. He discussed especially what he characterized as a discrepancy between the terms of the act of June 28 last, authorizing the purchase of the Panama Canal Company's franchises and property and the terms of the treaty. He quoted from the treaty the clause providing for the lease of the canal zone, and from the act the language of the second section authorizing the President to acquire perpetual control of a strip of land six miles in width, and charged that the two

were utterly inconsistent.

The presentation of this point led to an animated debate, in which seven or eight senators joined, Senators Rawlins, Bacon and Daniel being among the speakers on the democratic side of the chamber and Senators Hoar, Spooner and Depew among the republicans who spoke. In the main the democratic senators contended that the treaty does not coincide with or carry out the terms of the act, and that, therefore, another act of appropriation would be necessary before the treaty could be made effective.

In Effect Perpetual.

The republicans pointed out that the lease provision in the treaty looked to the continued renewal of the lease, which in effect they said, would give the "perpetual control" provided for in the canal act,

At 5:30 o'clock Mr. Quay asked Mr. Mor gan if he was willing to desist. Mr. Morgan yielded and Mr. Quay moved to adjourn. The vote resulted 15 ayes to 36 noes: Senator Teller then moved to take a recess. This motion also was voted down. The result brought out the declaration from Mr.
Teller that nothing would be gained by
harsh measures. Senator Cullom accepted
this view, and himself moved a recess until 8 p. m. There was no opposition, and the Senate dispersed a few minutes before 6 o'clock.

When they reconvened at 8 o'clock there were comparatively few senators present, and the presiding officer scarcely had called those present to order when the point of no quorum was made.

Mr. Morgan Continues.

After thirty-five minutes a quorum was obtained, and Senator Morgan proceeded until 11 o'clock, when, on motion of Senator Cullom, the Senate took a recess until 11 o'clock today. Senator Morgan devoted his evening discourse largely to the rela-tion of the Colombian government to the Catholic Church. He quoted at length the concordat between the pope and the president of the republic, and asserted that the isthmian government is practically dictated by the Catholic Church, and especially by the Jesuit order. This, he said, would be true in the canal zone as well as in other parts of the country, and he contended that if the treaty should be ratified the United States would find that it had entered into an undesirable and unAmerican alliance. and said he was quite prepared to continue. Just before the close of the session Sena-tor Cullom sought unanimous consent to fix a time for a vote tomorrow, but Senator Morgan objected. Senator Quay also said that he would object unless an agreement to vote on the statehood bill also could be obtained.

RUSSIA READY TO PAY.

Will Settle Claims of Certain American Sealers. Count Cassini, the Russian ambassador here, has notified Assistant Secretary Peirce, who represented the United States in the arbitration of the claims of certain American sealers against the Russian government, that he is in receipt of funds from St. Petersburg to pay the amount of the award. Accordingly Mr. Peirce had an expert compute the interest which had accrued in these cases and submitted the statement to the ambassador. As it stands the total of the judgment is now \$165,315, made up of these segrents awards which made up of these separate awards, which include accrued interest: Cape Horn Pigeon, \$63,033; James Hamilton Lewis, \$47,684; C. H. White, \$52,169; Kate and Anna, \$2,427.

Congressional Notes. The Senate committee on commerce has authorized a favorable report on the bill providing for the punishment of offenses committed at sea. The measure applies especially to passengers. The existing law has application only to offenses committed

by sailors.

gether ignored.

The Senate committee on military affairs has reported favorably the nominations of Brigadier Generals Ludington, Breckinridge and Wade to be major generals and Wallace F. Randolph to be brigadier general and chief of artillery.

Senator Quarles has introduced an amendment to the sundry civil appropriation bill providing for the establishment of military camp sites at Camp Douglass, Wis.; Fort Sam Houston, Tex., and at San Luis Obis-po, Cal. The measure has the approval of the Senate committee on military affairs.

THINK IT OVER.

SOMETHING YOU CAN SEE IN ANY RESTAU RANT OR CAFE.

A physician puts the query: Have you never noticed in any large restaurant at lunch or dinner time the large number of hearly, vigorous o'd men at the tables; men whose ages run from 60 to 80 years; many of them bald and all perhaps gray, but none of them feeble or senile?

Perhaps the spectacle is so common as to have escaped your observation or comment, but never-theless it is an object lesson which means some-If you will notice what these hearty old fellows are eating you will observe that they are not munching bran crackers nor gingerly picking their way through a menu and of new-fangled health foods; on the contrary, they seem to prefer a julcy roast of beef, a properly turned loin of mutton, and even the deadly broiled lobster is not alto-

The point of all this is that a vigorous old age depends upon good digestion and plenty of whole some food, and not upon dieting and an endeavoi to live upon bran crackers. There is a certain class of food cranks who seem to believe that meat, coffee and many other good things are rank poisons, but these cadaverous, sickly looking individuals are a walking condemna-

GRAND CHANCELLOR REVIEWS WORK OF A YEAR.

THE ANNUAL REPORTS

to Be Held This Even-

The Grand Lodge of Knights of Pythias Syracusians' Lodge, 902 Pennsylvania avenue northwest. Nearly all the grand representatives were present, together with a large number of past chancellors. Much interest attaches to the present Grand Lodge session, owing to the near approach of the Pythian fair, and the fact that the officers now elected will serve during the fortieth year in the history of the fraternity. Pythianism was born in Washington February 19, 1864, and a large number of the original members are still alive in the order. Several of them are members of the Grand Lodge, and one of these, David L. Burnett, of Calanthe Lodge, No. 11, was one of the five members of the fraternity who are known as its founders. The other 'founders' were Justus H. Rathbone, Robert A. Champion, Edward S. Kimbali and W. H. Burnett. Messrs. Rathbone and Champion

In this domain the order is showing much activity. There are now nineteen Pythian lodges here, having a membership of 1,464, an increase of forty-five since one year ago.

During the year 120 candidates were interest. During the year 130 candidates were initiated, seventeen persons were reinstated and twelve admitted by card. The losses dur-ing the year were: Suspensions, 83; with-drawals, 13; deaths, 18.

Grand Chancellor's Report.

Grand Chancellor James G. McQueen submitted his annual report last evening. He said: "It was with some trepidation that I entered upon the duties and responsibility of the office of grand chancellor of this domain, and I assure you that it was the proudest moment of my life when I received that honor at your hands. At that time I promised you I would give my best efforts in furthering the interests of our beloved order. In fulfillment of that promise I have devoted my time and the best of my ability devoted my time and the best of my abili-ties without stint, and while it might not

bright uniforms added much to the beauty of the visitations; and the officers and members of the several companies displayed much interest in the visitations, for which I am thankful. To the grand lecturer es-pecially I owe a debt of gratitude and thanks. Past Chancellor W. H. G. Simmons was appointed to fill the vacancy caused by the resignation of Grand Lecturer G. F. Day. That he capably carried out the arduous duties of the office and exemplified the work of the ritual in an entertaining and instructive manner all who heard him will attest. His assistance to me in making the visitations fruitful and interesting was invaluable. I desire to express my sincere thanks to the Grand Lodge officers for their punctuality in attendance upon all these meetings and the interest manifested in all matters pertaining to the good of the order all during my administration. I also wish to extend to subordinate lodges my hearty thanks for the aid given by them in making the visitations a great success, for it was through their efforts that they were suc-Routine Matters.

Election of Officers for Ensuing Year "I have received a communication from Webster Lodge, No. 7, for a decision in regard to whether the subordinate lodge or the Uniform Rank performs the last services at the grave on the occasion of a ssembled last evening at the castle hall of funeral of a deceased brother. In answer I decide as follows: 'The subordinate lodge has full control, and the question should be determined by it, bearing in mind the courtesy, either to an outside organization or to another branch of our beloved order.

which may and should on that solemn oc-casion control its action.' "On April 4 I called a meeting of the officers of the Grand Lodge to meet with the committee of forty-five for the purpose of making arrangements for the coming Knights of Pythias fair. At this meeting the committee was effectively organized by the election of officers and the appointment

of the various subcommittees. The work for the fair is now in their hands, and so far good results have been accomplished. "It gives me great pleasure to inform you that the future of the military branch of our order looks brighter and unquestionably more encouraging to its friends than it has for some years past. The companies have all elected their officers for the ensuing year, and in every case they have re-elected the old officers. This speaks well for them and shows they have attended faithfully to their duties, and that the members have appreciated the same. They all understand their duties, and can compete with any officer of the National Guard or regulars of similar rank. I hope that this Grand Lodge will continue to encourage them by

offering some good prizes this year.
"To the endowment rank we owe much of the success which has attended our order in the past, and it needs no special effort of mine to bring it before you at this time. Its excellent features commend them-selves to all, and I earnestly solicit the support in behalf of this rank which its merits deserve. There are now in this domain 460 endowment rank members, carrying a total

endowment of \$753,000. "To the officers and committees of the Grand Lodge I wish to extend hearty thanks for the aid they have extended to me during my administration, and desire to extend once again to the officers and members of the subordinate lodges my sincere appreciation of their work during the year." appreciation of their work during the year."

Report of Keeper of Records and Seal. Grand Keeper of Records and Seal Henry J. Gasson, in his annual report, said: The returns show that we are still making numerical and financial progress. While no new lodges have been instituted the older ones have been strengthened, and for the first time for many years no subordinate lodge was compelled to make assessments. This gratifying condition has been brought about in part by the change of laws which experience and business methods have taught us is necessary for our preservation. "At the last session of the Supreme Lodge a veteran jewel was adopted, and I would recommend that those of our members who have been strong in faith and good works

have been strong in faith and good works for the twenty-five years necessary: to entitle them to the same be exempt from the law in regard to supplies, and the grand keeper of records and seal be authorized to furnish them at the list price of the supreme keeper of records and seal."

During the year covered by the annual reports the order in this domain suffered the following losses: Past chancellors—Percy L. Moore, Myrtle Lodge, January 5; William B. Johnson, Excelsior Lodge, January 18; A. E. L. Keese, Syracustans Lodge, February 24; John W. Hafsilp, Webster Lodge, March 30; Frank T. Porter, Calanthe Lodge, April 16; Daniel O'Driscoll, Decatur Lodge, September 8; Joseph Gatto, Columbia Lodge, October 7; H. Bachenhelmer, Germania Lodge, December 10. Knights—George A. McClellan, Union Lodge, February 14; Geo. H. Mortimer, Decatur Lodge, George A. McClellan, Union Lodge, February 14; Geo. H. Mortimer, Decatur Lodge, March 1; Henry Price, Harmony Lodge, April 11; Charles J. Watson, Mount Vernon Lodge, May 16; S. J. Boyd, Harmony Lodge, July 8; Nathaniel McKay, Superior Lodge, July 10; John H. G. Debus, Century Lodge, August 7; Charles Rau, Germania Lodge, September 22; E. J. Nelson, Decatur Lodge, October 27; A. E. Jama, Mount Vernon Lodge, October 11. Since the close of the calendar year the order has also suffered the loss of Past Grand Chancellor Halvor Nelson of Superior Lodge, No. 27.

At the session of the Grand Lodge this evening officers will be elected for the ensuing term, and also a supreme representative for the years 1904 to 1907, inclusive.
